

STAGE 5 WATER RESTRICTIONS MANDATORY

Irrigation and Other Water Usage

Irrigation of all residential landscaped areas is prohibited.

Irrigation of green belts, esplanades and sports fields is prohibited.

Use of water to wash any motor vehicle, motorbike, boat, trailer, airplane or other vehicle is absolutely prohibited.

The filling, refilling, or adding of water to swimming pools, wading pools, and jacuzzi-type pools is prohibited.

Operation of any ornamental fountain or pond for aesthetic or scenic purposes is prohibited except where necessary to support aquatic life or where such fountains or ponds are equipped with a re-circulation system.

Use of water from hydrants shall be limited to firefighting, related activities, or other activities necessary to maintain public health, safety, and welfare. The use of water for construction purposes from designated fire hydrants under special permit is to be discontinued.

The watering of golf courses is prohibited unless the golf course utilizes a water source other than that provided by the District.

All restaurants are prohibited from serving water to patrons except upon request of the patron.

The following uses of water are defined as non-essential and are prohibited:

1. wash down of any sidewalks, walkways, driveways, parking lots, tennis courts, or other hard-surfaced areas;
2. use of water to wash down buildings or structures for purposes other than immediate fire protection;
3. use of water for dust control;
4. flushing gutters or permitting water to run or accumulate in any gutter or street; and
5. failure to repair a controllable leak(s) within a reasonable period after having been given notice directing the repair of such leak(s).

No application for new, additional, expanded, or increased-in-size water service connections, meters, service lines, pipeline extensions, mains, or water service facilities of any kind shall be approved, and time limits for approval of such applications are hereby suspended for such time as this drought response stage or a higher-numbered stage shall be in effect.

In the event that water shortage conditions threaten public health, safety and welfare, the District may implement additional measures.
