

Save Your Pipes Don't Flush Wipes

Stop flushing wipes and other non-toilet paper items. Even if the package says the wipes are flushable, they can cause serious damage to your pipes and our system.

Do not flush the following items:

- Wipes of any kind, including those that claim to be "flushable"
- Hair
- Dental floss
- Pills / Medication
- Paper towels
- Cigarette butts
- Cotton balls, pads, or swabs
- Tissues or napkins
- Food waste / dressing and sauces
- Fats, grease or oil
- Paint or hazardous waste
- Cat litter
- Bandages
- Fabric items
- Deceased fish or pets
- Diapers
- Pads, tampons, and applicators
