Our lifeguards are the people responsible for making sure everyone is staying safe at the pool. That doesn't mean they are responsible for babysitting kids; so parents and adults need to stay active and alert with their kids at all times. Do not leave children alone. Adults should be in the water with little ones!

All patrons must wear appropriate swimwear at all times. That means you have to wear apparel that is designed for swimming. All apparel must fully cover the buttocks and groin area. Basketball shorts, yoga shorts, or other workout apparel is not allowed. Any questionable apparel is at the discretion of the guards on shift.

Minors 13 and under **MUST** be accompanied and actively supervised at all times by an adult (18+). Swim tests are required for all minors 11 and under before they can enter the pool. Failure to test or pass means an adult must be in the water within 10 ft., actively supervising the minor at all times.
