

JULY AND AUGUST 2026

HARRIS COUNTY WCID110 FOREST OAKS SWIM AND RACQUET CLUB

Forest Oaks Master Plan - Phase 1 Starts this Fall

To see more details about the master plan phase 1 project, please use the **BLUE QR Code**

The Forest Oaks Pool and Pool House were two of the original facilities constructed in 1988 as part of the Forest Oaks Swim and Racquet Club. Along with four tennis courts and the original portions of Forest Oaks Park, these amenities were built to serve the residents of WCID 110.

The master plan consists of three phases and will be completed over several years. Phase 1 includes the construction of a new Forest Oaks Pool and Recreation Building, designed by GPD Group, an architectural firm based in Houston, Texas. Landmark Aquatics is serving as the pool consultant, while Langford Engineering, the District's engineering firm, will oversee the project and provide expertise on stormwater drainage.

The Phase 1 project has already started with design but we do not expect to break ground until November 2026. This project will take 14-18 months. We anticipate the new pool being open for the 2028 Forest Oaks Barracuda swim season and summer 2028. With new features on the pool like aerators and heaters, we plan to have the pool open significantly earlier in the year and be open to keep it open much longer into our "winter" months.

Our lifeguards are the people responsible for making sure everyone is staying safe at the pool. That doesn't mean they are responsible for babysitting kids; so parents and adults need to stay active and alert with their kids at all times. Do not leave children alone. Adults should be in the water with little ones!

All patrons must wear appropriate swimwear at all times. That means you have to wear apparel that is designed for swimming. All apparel must fully cover the buttocks and groin area. Basketball shorts, yoga shorts, or other workout apparel is not allowed. Any questionable apparel is at the discretion of the guards on shift.

Minors 13 and under **MUST** be accompanied and actively supervised at all times by an adult (18+). Swim tests are required for all minors 11 and under before they can enter the pool. Failure to test or pass means an adult must be in the water within 10 ft., actively supervising the minor at all times.
