FOREST OAKS PARK UPGRADES COMING SOON

September through November will be a very busy time in Forest Oaks Park. Along with National Night Out and Trunk or Treat, we are working hard on some amazing upgrades throughout the park that should make everyone's time spent there more enjoyable.

- **Toddler Playground:** Installation of a new 2,100 square foot toddler playground with multiple play structures for ages 2-5 years old.
- **ADA Bathroom Trailer:** a 2nd park bathroom near Pavilions 4 and 5 in the back of the park.
- **Water Fountains/Bottle Fill Station/Pet Drinking Fountain:** One new water fountain will be located near pavilion 1 and the playground and a 2nd new water fountain near pavilion 4 next to the new ADA bathroom trailer.
- **Renovation of Pavilions 4 and 5 and pergola over Trey's Creek:** September/October.
- **Renovation of park restroom building:** planning for November.
- **Eagle Scout and Gold Leaf Projects:**
 - New bat houses built by Celeste Vultaggio for her Gold Leaf Award from Girl Scouts. Congrats to Celeste for completing her project and being awarded her Gold Leaf recognition!!
 - Two pollinator gardens will be built by Kelvin Medina and Troop 355 near Pavilion 8 for his Eagle Scout project mid-September.
 - New above ground gardens built around the playground area by Isaac Cook for his Eagle Scout project in October.
- **Additional benches along paths and road:** We will be adding several new benches along the park road and the newly asphalted walking paths.

FITNESS CENTER ACCESS RELOCATION

To prepare for the construction project for the pool and new Rec Building, we will be relocating the fitness center doors to face the upper parking lot/clubhouse. We do not have a set timeline on this project, but it will occur in mid/late September or early October. When this project is scheduled, the fitness center will be closed while the doors are relocated and all other components of the project are completed. This will take anywhere from 10-14 days from start to finish.

When we have a set timeline, we will post on our social media, website, send email notifications, emergency text alerts, and signage around the facility. We apologize in advance for this inconvenience.
